2. If you are replacing an existing Integrated Shield Plan for the proposer and/or any of the dependant(s), please tick to confirm the below declaration:
- I confirm that my Financial Adviser Representative has explained to my satisfaction the implications associated with this switch/replacement and, based on his/her recommendation, I agree to proceed with the switch/replacement of my existing Integrated Shield Plan. - My Financial Adviser Representative has explained to me the implications associated with this switch/replacement. I am aware that the implications that may arise from a switch/replacement could outweigh any potential benefit(s) such as:
- The new policy may offer a lower level of benefit at a higher cost or same cost, or offer the same level of benefit at higher cost and, the new policy may be less suitable for me.
 - If I am switching to this plan and I have existing medical conditions that are currently covered by my existing plan, I am aware that I may lose coverage for those conditions.
 - If I am replacing my existing plan by upgrading to this plan and I have existing medical conditions that are currently covered by my existing plan, I am aware that I may not be given the enhanced benefits for those conditions. *(Applicable for Singlife Shield Plan 1, Plan 2 and Plan 3)*

Please Note:

If you are switching/replacing your existing policy with this new application, please be informed that:

- a) You may incur transaction costs without gaining any real benefit from the switch/replacement.
- b) You may incur penalties for terminating the existing policies.
- c) You may not be insurable at standard terms.
- d) The switch/replacement policy may offer a lower level of benefit at a higher cost or same cost, or offer the same level of benefit at a higher cost.
- e) The switch/replacement policy may be less suitable and the terms and conditions may differ.
- f) There may be other options available besides switching/policy replacement.

You are advised to consult your present Financial Adviser Representative and consider the possible disadvantages of switching/policy replacement such as fees and changes in level of benefits before making a final decision.
