For each primary cancer, if:

- the **CDL** treatment involves more than one drug, **we** allow drug omission or replacement with another **CDL** drug with the indication "for cancer treatment", only if they are due to intolerance or contraindications. In such cases, the claim limit of the original **CDL** treatment will continue to apply; or

If **your** application is approved, **we** will pay up to the sum of the highest limit among the claimable **CDL** treatments for each primary cancer in that month.

For avoidance of doubt, for **CDL** treatments, the indications refer to the clinical indications of the drug as specified on the **CDL** on **MOH**'s website go.gov.sg/moh-cancerdruglist. **Non-CDL** treatments will be considered as having an indication other than “for cancer treatment”.

We have the right to have our appointed **doctor** examine the **life assured**, whenever and as often as **we** may reasonably want:

- during the duration of a claim,

under **your policy**. This applies to claims for post-**hospital** treatment even if the pre-**hospital** treatment or **inpatient** treatment has been paid by **us**.

We have the right to ask for a post-mortem where this is not forbidden by law.

2.3. Limits of Liability

Our liability for each **benefit** and type of **plan** under **your policy** is limited to the amounts shown in the **benefits schedule**. **We** will apply the:

- **pro-ration factor**,
- **Singlife Shield annual deductible**, and
- **co-insurance** (if applicable),

before **we** pay any benefit.

The benefit **we** pay will be reduced by first applying the **pro-ration factor** to:

- **reasonable expenses** depending on the **life assured's plan**, whichever is lower.

If the **life assured**:

- a luxury suite,
- a deluxe suite, or
- any other special room of a **hospital**,

if the **life assured** changes the type of room during his stay as an **inpatient**, **we** will use the type of room he was staying in immediately before his discharge to decide if **we** will apply the **pro-ration factor**.

The **pro-ration factor** does not apply to expenses which the **life assured** has to pay at:

- a **public hospital** for:
 - major outpatient treatment,
 - day **surgery**,
 - pre-**hospital** treatment, and

You and the **life assured** must always disclose to **us** completely and truthfully all material facts and circumstances that may affect **our** decision whether or not to:

- cover the **life assured**, or
- add any further terms and conditions on **your policy**.

This applies to all information given to **us** for **our** assessment of **your** application for cover.

If **you** do not give **us** this information or misrepresent any information, **we** may:

(a) choose to:

- declare **your policy** “void” from the **cover start date** or the last **reinstatement date** (whichever is applicable), or
- end the cover for the **life assured**, and either refund **you**:
- all **premiums** paid to **us** if **you** have not made any claim under **your policy**, or
- the **premium** paid to **us** in the first **policy year** immediately following the **policy year** in which **you** made the last claim under **your policy**,

or

(b) choose to:

- add extra terms and conditions, or
- change the **benefits**.

If the **life assured** is a Singapore citizen or a Singapore permanent resident, the **life assured** will continue to be covered under **MediShield Life** without any exclusion.

3.2. Premium

You must pay the **premium** every year in order to receive the **benefits**.

We give you 60 days' **grace period** from the **renewal date** to pay the **premium**. During this **grace period**, **your policy** will stay in effect. You must first pay any **premium** or other amounts owing to us before we pay any claim under **your policy**. If you do not pay the **premium** by the last day of the **grace period**, **your policy** will end on the **renewal date**.

You are responsible for making sure that **your premium** is paid up to date.

We may deduct **your premium** from the designated Medisave account according to the **act** and **regulations** and the **CPF Act** and any subsidiary legislation under the **CPF Act**, as may be amended, extended, or re-enacted from time to time.

You must pay the **premium** or any part of it in cash if:

- the **premium you** owe is more than the maximum Additional Withdrawal Limit (for Singapore citizens or Singapore permanent residents) or Medisave Withdrawal Limit (for foreigners) set by the CPF Board,
- there are not enough funds in **your** Medisave account to pay the **premium** due, or
- the **premium**, or part of it is not taken from the designated Medisave account for any reason.

3.3. Change of citizenship and residency

You must tell us, as soon as possible, when the **life assured's** citizenship or permanent residency status changes and submit a copy of the **life assured's** new national registration identity card or other evidence of change acceptable to us to update our record. Failing to inform us on the citizenship or permanent residency change may result in duplicate Singlife Shield cover and **premium** payment for the **life assured**.

We have the right to change the **life assured's** Singlife Shield cover upon notification from **CPF Board** of the change in **life assured's** citizenship. We will adjust the **renewal date** and **premium** accordingly.

If you did not inform us when **your** citizenship or permanent residency status changes, we have the right to end the **policy** with effect from the date we first become aware of the change and refund the **premium** pro-rated for the remainder of the **policy year**.

Your **policy** ends on the date:

- the **life assured** dies,
- we choose to end the cover for the **life assured** under **clause 3.1**,
- we end **your policy** under **clause 3.3**,
- we receive **your** written notice requesting cancellation of **your policy** under **clause 5.2**,
- we do not receive **your premium** after the **grace period**,

- we decide, in our opinion, that continuing with this **policy** or business relationship could potentially cause us to incur risks of violating or violate **sanctions** as set out in **clause 7.17**,

whichever is the earliest.

When **your policy** ends, **you** have no further claims or rights against **us** even if **your** claim arose directly or indirectly from a covered condition which occurred before **your policy** ended.

Ending **your policy** does not affect the **life assured**'s cover under **MediShield Life**. The **life assured** will continue to be covered under **MediShield Life** as long as he is eligible under the **act** and **regulations**.

5. What you can do with your policy

5.1. Reinstate your policy

If **your policy** ends because **you** have not paid the **premium**, **you** may apply to **us** within 30 days from the date of notice of termination to reinstate **your policy** if **you** meet all of the criteria and requirements that apply at the time, including but not limited to the following conditions:

- **you** must pay all **premiums you owe us**,
- **you** must have given **us** satisfactory proof of insurability for each **life assured** at **your** expense,
- **you** have completed full medical underwriting if **we** ask **you** to do so, and
- if **you** are covered under **moratorium underwriting option** and **we** reinstate **your policy** within the same underwriting option, the **moratorium** period of 5 years will restart from the **reinstatement date**.

If **we** ask **you** to undergo full medical underwriting, **we** may:

- apply additional terms including exclusions to **your** reinstated **policy**, or
- if **your policy** is under **moratorium underwriting option**, change the **moratorium underwriting option** to full medical underwriting option for **your** reinstated **policy**.

To avoid doubt, if **we** accept any **premium** after **your policy** has ended, it does not mean **we** will not enforce **our** rights under **your policy** or **we** will create any liability for **us** in terms of any claim. **We** will not pay for treatment provided to the **life assured** after the date **your policy** ends and within 30 days from the **reinstatement date** unless treatment was received as an **inpatient** for **injuries** caused by an **accident** which took place after the **reinstatement date**.

5.2. Cancel your policy

You may cancel the policy with effect from any **renewal date** by giving **us** at least 30 days' written notice of **your** intention not to renew **your policy**. The **life assured**'s cover under **your policy** will end on the **renewal date**.

You may also cancel **your policy** during the **policy year** and after the free look period by giving **us** at least 30 days' written notice. **We** will refund **you** the pro-rated **premium** for the unexpired period of cover.

5.3. Change your plan

You may write to **us** at any time and ask to change the **life assured**'s **plan**.

If **you** ask to **upgrade** the **life assured**'s **plan**, **you** must give **us** satisfactory proof of insurability for each **life assured** and pay for the costs involved. Any claim that arises from a **pre-existing condition** after the **upgrade** will be assessed based on the terms and conditions of the **plan** before the **upgrade**.

If **you** ask to **upgrade** the **life assured's plan** and **your policy** is under the **moratorium underwriting option**, the **moratorium underwriting option** will no longer apply and **your policy** will be upgraded under the **full medical underwriting option**

If **you** ask to **downgrade** the **life assured's plan** within the same underwriting option, **you** do not need to declare **your** medical conditions to **us**.

If **we** approve **your** request to change the **life assured's plan**, **we** will write to tell **you** when the new **plan** will take effect. The **policy year** and **period of insurance** for **your** existing **plan** will end on the day immediately before the day on which **your** new **plan** takes effect. The period of insurance for the new **plan** will be a 12-month term from the date on which the new **plan** takes effect and the limits shown in the **benefits schedule**, the **Singlife Shield annual deductible** and **co-insurance** for the new **plan** will apply from the date on which the new **plan** takes effect. The **benefits** which **we** pay on a per lifetime basis will not be paid again in the new **policy year** if **you** have made a claim on these **benefits** and **we** have paid 100% of the limits shown in the **benefits schedule** for these **benefits** before **your** change of **plan**.

A **pre-existing condition** which has been permanently excluded under **clause 7.8** will remain permanently excluded under the **upgrade** or **downgrade**.

6. What your policy does not cover

The following treatment items, procedures, conditions, activities and their related or consequential expenses are not covered under **your policy**. However, some of these exclusions may be covered under **MediShield Life**. For exclusions that are covered under **MediShield Life**, **we** will deal with **your** claim according to the terms and conditions and benefit limits of **MediShield Life**. If **we** say that because of an exclusion or any other term or condition of **your policy**, any loss, damage, cost or expense is not covered by **your policy**, the burden is on **you** to prove otherwise.
